No. 581.

SIR,—

I have the honour to transmit to Your Royal Highness, for the information of your Ministers, a copy of a notice published in the press on the 15th June, containing information for the guidance of persons desiring to record:—

(a.) Debts (including bank balances) due to British subjects from persons residing in enemy countries:

(b.) Other property in enemy countries (including securities) belonging to British subjects.

2. The Foreign Claims Office referred to in the last paragraph of the notice has been set up at the Foreign Office for the purpose of dealing with all claims for the settlement of which no satisfactory machinery has existed hitherto, and which are

foreign in the sense that they are claims by British subjects against a foreign Government or by foreign nationals against His Majesty's Government.

I have, etc.,

The Governor-General,

His Royal Highness

The Duke of Connaught and of Strathearn, K.G.,

BRITISH PROPERTY IN ENEMY COUNTRIES.**HOW TO RECORD CLAIMS.**

WE are officially informed that it has been arranged that the Public Trustee shall keep a record of:—

(a.) Debts (including bank balances) due to British subjects from persons residing in enemy countries:

(b.) Other property in enemy countries (including securities) belonging to British subjects.

Any person desiring to record such claims or property can obtain the necessary form for that purpose (Form G in the first case and Form H in the second) from the Public Trustee. Applications should be made to the Public Trustee (Trading with the Enemy Department), No. 2 Clement's Inn, Strand, W.C.

It must be clearly understood that the action of the Public Trustee will be confined to entering upon the record claims of which particulars are supplied to him, and that in no way commits His Majesty's Government either to responsibility for the correctness of the claim entered or to taking any action on the conclusion of hostilities or otherwise for the recovery of the debts or property in question.

The Public Trustee will record claims against enemy Governments in respect of public securities of those Governments held by the claimants, but other claims against enemy Governments (e.g., in respect of goods or property requisitioned or sequestered) as distinct from claims against enemy subjects should be notified to the Director of the Foreign Claims Office, Foreign Office, S.W.

ORDERS IN COUNCIL.

AT THE EXECUTIVE COUNCIL CHAMBER.

VICTORIA, B.C., 14th July, 1915.

PRESENT:

HIS HONOUR THE LIEUTENANT-GOVERNOR IN COUNCIL.

ON the recommendation of the Honourable the Attorney-General and under the provisions of the "Court Rules of Practice Act" and all other powers thereunto enabling, His Honour the Lieutenant-Governor of British Columbia, by and with the advice and consent of his Executive Council, doth order as follows:—

1. During the war no probate of a will or letters of administration of the estate of any German, Austro-Hungarian, or Turkish subject, wherever resident, shall be granted in respect of any assets in this country without the express licence of the Crown acting through the Minister of Finance.

2. In all cases where probate or letters of administration are granted during the war to any person entitled thereto, the grant shall be made upon the condition that no portion of the assets shall be distributed or paid during the war to any beneficiary or creditor who is a German, Austro-Hungarian, or Turkish subject, wherever resident,

or to any one on his behalf, or to or on behalf of any person resident in Germany, Austro-Hungary, or Turkey, of whatever nationality, without the express licence of the Crown acting through the Minister of Finance; and if any distribution or payment is made contrary to this condition the grant of probate or letters of administration will be forthwith revoked.

3. Any applicant for letters of administration or probate during the war shall furnish evidence to the satisfaction of the Judge to whom application is made that the person in respect to whose estate such probate or letters of administration are applied for was not a German, Austro-Hungarian, or Turkish subject; or, failing such evidence, shall produce the licence of the Crown that such probate or letters of administration may be granted. Such applicant shall also give such information as the Registrars of the Courts may require in order to ascertain whether any of the assets would in time of peace be distributable or payable to any such subjects, and if required shall make a statutory declaration as to the assets and their disposition in the event of probate or letters of administration being granted.

4. In cases deemed by him proper, the Minister of Finance may sanction the payment of moderate sums out of assets to beneficiaries or creditors who are German, Austro-Hungarian, or Turkish subjects resident in this Province at the commencement of the war and during the war.

And that the Order in Council herein, No. 553, dated the 15th May, 1915, be rescinded.

de22 HENRY ESSON YOUNG,

DOMINION ORDERS IN COUNCIL.

[2922.]

AT THE GOVERNMENT HOUSE AT
OTTAWA.

Saturday, the 11th day of December, 1915.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR-
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report from the Minister of the Interior, dated 7th December, 1915, representing that Messrs. T. S. Hall and Charles Damaske, of New Westminster, have made application to the Department of the Interior for a lease of that portion of Sections 5, 6, 7, and 8, in Township 3, Range 28, west of the 6th meridian, comprising the submerged bed of Cheam Lake, in the Railway Belt, in the Province of British Columbia, for the purpose of pumping or dredging therefrom a deposit of disintegrated lime to be used for fertilizing purposes.

The Minister observes that the Deputy Minister of the Department of Agriculture for the Province of British Columbia, in a communication dated the 27th of February, 1912, stated that he fully concurred in the representations made that there was a great desirability for a supply of crushed rock lime at reasonable prices for agricultural purposes, and that this was the best form in which it could be used.

The Minister states that it would appear that a grant has been made by the Provincial authorities of 300 miners' inches of water from Cheam Lake for domestic and power purposes, and that entries have been granted for two mineral claims covering a portion of the bed of this lake.

In view of the demand which would appear to exist for lime to be used for agricultural purposes, the Minister recommends that he be authorized to grant permission to Messrs. T. S. Hall and Charles Damaske to remove by pumping or dredging this deposit of disintegrated lime from the bed of the lake, upon the following conditions:—

1. The term of the lease to be five years and the rental, at the rate of 25 cents an acre per annum, payable yearly in advance.

2. The lease to be subject to any rights already granted of the waters of the lake or the minerals in the bed thereof.

3. The lessee to instal, within one year from the date of the lease, machinery and equipment for the pumping or dredging of this deposit to the value of at least \$2,500, and to furnish satisfactory evidence of the installation of such machinery and equipment within the time specified.

4. That during each year of the term of the lease, the lessee shall operate the rights granted him with reasonable diligence, and shall during each year produce ready for disposal or shipment

not less than 1,000 tons of the deposit referred to and shall furnish satisfactory evidence of such production.

5. The lessee shall not divert or remove from the lake any of the waters thereof, his rights to be confined to the removal by the above process of the deposit of lime represented to be in the lake.

6. Failure to comply with any of the conditions set out in the lease shall render that instrument subject to immediate cancellation in the discretion of the Minister of the Interior.

The Committee concur in the foregoing and submit the same for approval.

RODOLPHE BOUDREAU,
